

# **Class I Fire Extinguisher Inspection Training**

**Provider:** Beacon OHSS

**Length:** 2 Hours

**Website**

<http://www.beaconohss.com/servlet/content/117.html>

The State of Alaska ceased issuing Class I fire extinguisher inspection permits in 2012; however, the State still allows employers to inspect their own fire extinguishers so long as employees receive necessary training. This training class is specifically designed to meet the training requirements for Class I inspectors and allows individuals to conduct periodic portable fire extinguisher inspections (for example, annual inspections) and to perform non-invasive maintenance of portable fire extinguishers.

## **Related Occupations**

Fire Inspectors and Investigators

Firefighters
